Triplicity Publishing, LLC, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. Can you imagine falling for a girl so hard that through the years, with no hope of being reunited, that love remains as strong as ever?At 40, Dr. Keegan Wade is the Chief of Trauma Surgery, a rising star at NYC General. She's immersed 24-7 in work that she once loved. No one waits for her at home and she has nothing to offer. Anxiety has her in a choke hold and she'd give anything to sleep more than two consecutive hours. At the urging of a friend, she takes a long overdue vacation, a cross country trip on a restored steam train, in hopes that time away from the pressures of her job will solve her problems.At 39, Willow Lord is a recent college graduate, a social worker in desperate need of a job. Divorced nine years, she's lived in poverty, saving coins to buy cat food. Next month, the first payments on her student loans are due. She has no time for a vacation, but when her friend, a friend who won't take 'no' for an answer insists, she sends out resumes, and boards The Frisco Express-New York City to California.As young teens, on a steam train, these two women fell in love. And on a steam train, twenty-six years later, they're given a second chance. But the years have taken them to drastically different places. Can they straddle their worlds and seize it?.
