

7 Rules to Influence Behaviour and Win at Cyber Security Awareness (Paperback)

By Joshi D Chirag

Chirag Joshi, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. Cyber Security explained in non-cyber language. Get ready to have everything you thought you knew about Cyber Security Awareness challenged. Fight back against the scourge of scams, data breaches, and cyber crime by addressing the human factor. Using humour, real-world anecdotes, and experiences, this book introduces seven simple rules to communicate cyber security concepts effectively and get the most value from your cyber awareness initiatives. Since one of the rules is "Don't Be Boring," this proven process is presented in an entertaining manner without relying on scary numbers, boring hoodie-wearing hacker pictures, or techie jargon! Additionally, this book addresses the "What" and "Why" of cyber security awareness in layman's terms, homing in on the fundamental objective of cyber awareness--how to influence user behaviour and get people to integrate secure practices into their daily lives. It draws wisdom from several global bodies of knowledge in the technology domain and incorporates relevant teachings from outside the traditional cyber areas, such as behavioural psychology, neuroscience, and public health campaigns. This book is for everyone, regardless of their prior cyber security experience. This includes cyber security and IT professionals, change managers, consultants, communication specialists,...

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.
